Chapter 3 by tilde

Next day dey go to the zoo and drink som blood, And dey been best friends.

Chapter 4 by jeffyb

The dog and the cat decide to start killing people. I mean, they were totally capable of killing a full-grown wolf with ease, so human beings isn't that hard of a stretch.

Their first victim was a little six year old boy. He was particularly fat and had some difficulty running away from his predators.

The dog and the cat after then find a human meat house. The dog didn't realize how delicious the humans were.

Every night the bloodthirsty pair would go out hunting for man flesh. Each night they were successful and gorged themselves in meat of the innocent.

The local police tried everything to find and capture the gruesome duo. People were getting scared and everyone knew what needed to be done, but all were hesitant to make the hard choice.

Only one person could hunt them down without fear, but he was already serving a life sentence in a CIA blacksite.

The CIA deputy director came to the inmates cell and said, "Alright Cookie, lets go."

Chapter 6 by heureux-xx

The CIA deputy director, Elmo, and Cookie went out to hunt this cat and dog duo.. To get rid of them, once and for all. I mean seriously, how hard could it be to kill a cat and dog? Sure they've been feasting on human flesh for days now, but still..

After hearing of the most recent attack, not 4 blocks away from the CIA blacksite. Elmo and Cookie went to go catch them before the trail was lost.

Upon arrival, they readied their stun guns and animal tranquilizers. Elmo also carried a handgun, just in case. As they turned the corner and aimed at their targets, they immediately realized they were doomed..

The reason this dog and cat were able to kill humans and a wolf so easily.. The dog was none other than Clifford, the Big Red Dog. And the cat? None other than the Greek goddess Hecate, who could assume the form of a cat whenever desired. The Greek goddess explains the human killings, or rather.. Sacrifices. And Clifford, a dog twice the size of a house, explains how it can kill so easily.

Elmo pulled out his handgun, took a deep breath.. And started sobbing uncontrollably at the

Chapter 7 by heureux-xx

After killing Elmo and Cookie, the dog and cat feasted happily. However, unknown to them, Cookie had earlier been bitten by a prison guard dog that had rabies. Although Cookie had shown no symptoms, the virus was already spreading. He would have died in a few months anyway. It wasn't long before the dog and cat became rabid.

Chapter 8 by jeffyb

The viral rabies of course had no effect on the two. One was a goddess, and the other a massive, mythical dog that was way beyond the league of normal animals.

They seemed unstoppable. It would take a power that was equal to theirs to bring the mayhem to an end. Swat teams, guided missile strikes, SEAL Team 6, and even highly weaponized stealth drones were not enough.

Human beings resorted to the only thing they knew how to do. They turned them into celebrities and gave them their own reality TV show.

The show is called "The Sacrifice" and it still airs today.
